Nazarene Mission Emphasis

Nazarene Compassionate Ministries (NCM)

Following the example of Jesus, NCM partners with local Nazarene congregations around the world to clothe, shelter, feed, heal, educate, and live in solidarity with those who suffer under oppression, injustice, violence, poverty, hunger, and disease. NCM exists in and through the Church to proclaim the Gospel to all people.

NMI has come alongside NCM in leading the Nazarene church in living out compassion. The Nazarene Compassionate Ministries coordinator on the district NMI and/or local NMI council offers encouragement of Nazarene Compassionate Ministries worldwide through prayer support, giving, education, and hands-on opportunities.

December is Compassionate Ministries Emphasis month in the Church of the Nazarene. The Board of General Superintendents designated December to encourage a spirit of compassion and personal involvement among Nazarenes everywhere. NCM's prayer is that social holiness would erupt in every local church and that we could come alongside faithful members and resource them to serve.

NCM's 2017 Christmas Project

More than 30 million children have been forced from their homes due to conflict, violence, and persecution. As the church, we can say to children caught in conflict, "You are not forgotten!" By providing displaced children with necessities such as food, safe water, winter blankets, and education, you will ensure they have hope for a better tomorrow. By providing care and compassion in the name of Christ, you will remind them they are not forgotten and that they are loved by God. We can help by praying for healing and wholeness, that they would find peace through Christ, and by giving to the project at www.ncmcanada.ca
